Monroe La Aug 1895.

President D. C. Gilman
Johns Hopkins University
Baltimore, Md.

Dear Sir: - I note you have been made chief of awards of the Atlanta Exposition. Should you see fit to follow the World's Fair precedent by having departmental judges selected from the several sections of the country, I would be pleased to serve as a representative from this part in any capacity requiring intimate knowledge of school apparatus, furnishings, equipments, or exhibits of school and college work.

You may perhaps remember me as having attended J. H. in 93-94 and I refer you to Dr Adams.

Very truly yours

H. E. Chambers
