1.9-38

S. Paul's School

April 29. 1891.

My dear President Gilman,

I write to ask you to be my
Guest during our Anniversary - May
28th. It is our File Day, & usually we
have a large gathering of friends of
The School. I should like to have you
see our foundations here, even though
they are little more - I know you would
be in sympathy with us - It would give
us pleasure to have an address from
you - I ought to say rather an informal
speech, at the collation -

My brother & myself would be gratified
if you can make it consistent with
your other duties & engagements to
accept this invitation, & you may be as-
sured that you will be a welcome &
honoured guest -

And I remain

With great regard

Very sincerely, Yrs

Henry A. Cook -
