

## Hammarskjold To Give Graduation Address

Dag Hammarskjold, secretary general of the United Nations, will deliver the commencement address at exercises marking the close of the 79th academic year at Johns Hopkins University, Tuesday, June 14, according to Lowell J. Reed, president of the University.

Mr. Hammarskjold will speak to about 500 students gathered on the Homewood campus to receive graduate and undergraduate degrees. His address will be given during the ceremony, which is scheduled for 10 a.m., on Keyser quadrangle, in front of Gilman Hall.

Born in Sweden in 1905, Mr. Hammarskjold has won a reputation in his native land and around the council tables of Europe as a diplomatic negotiator and an economist.

He is the youngest son of a Swedish family of civil servants. His father was prime minister of Sweden during World War I and later minister of war, president of the International Law Association, a member of the International Court of Arbitration at the Hague and president of the Nobel Foundation.

A graduate of the University of Uppsala, Mr. Hammarskjold received his doctorate in economics at the University of Stockholm. In 1936, he began his career as a civil servant in the ministry of finance as under secretary.

At 35, Mr. Hammarskjold was

## Honor Commission Issues Reminder For Exam Period

With final exams scheduled to commence next week, the Honor Commission reminds students of their responsibility to the Honor System and gives the following suggestions:

1. In taking an exam, be sure that, whenever possible, there is an empty seat between you and your neighbor.
2. In order to avoid the possibility of any suspicions being directed against you, leave all unnecessary notes and books outside the exam room.
3. Hesitate from talking during an exam. Talking will only cause unnecessary suspicion and perhaps much embarrassment later on.
4. If a violation becomes evident to you while you are taking an exam, take it upon yourself to remind the entire class that we are under an Honor System. If the apparent violation persists, try to have someone witness the violation and then report it to the Honor Commission through the school departmental mailing system as soon as possible so that the Honor Commission may rapidly dispose of the case.
5. Above all, remember that mental frustration during an exam, or the absence of time in finishing a term paper is no excuse to cheat or plagiarize. Also, bear in mind that your signature means that the work under it is your own, derived for credit by honest means.

named chairman of the board of the Bank of Sweden, where he served for seven years. He became a prominent figure in his country's economic and financial negotiations with Britain and the United

(Continued on Page 2)

## Phi Alpha Seeking To Install Chapter; IFB Views Status

The Eta Chapter of Phi Alpha Fraternity, inactive at Hopkins since 1939, is being reactivated by a group of about 32 undergraduates, chapter president Al Marston, a sophomore, stated.

Interfraternity Board status for the group was to be decided at the IFB meeting this morning.

Commenting on the application of the group for membership, IFB President Bob Larimer said earlier this week, "We are trying to deal as fairly as possible with the situation. We see that their opinion is valid in that there seems to be a need for another group insofar as their numbers show...but we see the effect it might have on the three other fraternities that might be affected. We hope to arrive at the fairest decision for the fraternity system, though not for the individual."

Earlier this week, Marston stated, "We are waiting now for the IFB to decide whether or not we are accepted; this in no way affects our status as a fraternity on campus."

He added that the national fraternity has approved the group's petition for a charter and is "just waiting for the date for installation." The group is "financially able to establish a chapter house. Over a dozen are being looked at."

Marston described the group as "very heterogeneous, predominantly Jewish but there are about a dozen non-Jews..." with a nucleus consisting almost entirely of in-town boys.

## Russ Trip Out, Chairmen Say

"As matters now stand, there will be no official Hopkins participation in the student tour of Russia this summer," Frank Musial and Dick Lidz stated this week.

Chairmen of a special News-Letter Soviet tour committee, Musial and Lidz have been trying since late April to raise financial backing in order to enable Hopkins participation in the tour. The Oberlin College (Ohio) Student Council, which is coordinating the tour, estimates \$1500 as the cost for each participating delegate.

### Consult Shaffer

After a consultation with Dean Shaffer, Musial and Lidz reported, they arranged an interview with Mr. Charles H. Dorsey Jr., managing editor of the Sun, who "...

## Additional Bull Roast Tickets Put On Sale To Meet Demand

LES ELGART

RALPH FLANAGAN

A few additional tickets to the Bull Roast have been put on sale by the June Week Committee because of the current demand, Ed Goldberg, chairman, announced this week.

"More tickets have been sold to this event than we expected," Goldberg said. "The original 400 tickets have been sold, and space limits us closely to that figure. It is impossible to sell more than a few more tickets without crowding the accommodations." Tickets will not be on sale at the gate, even if the additional tickets are not sold, he added.

### Roy To Speak

Goldberg also stated that he expected a sell-out for the Sports Dance, at which Les Elgart will appear. Tickets for this event are moving very rapidly, Goldberg said.

Goldberg also announced that Dean Robert H. Roy will be the principal speaker at the Senior Banquet. The master of ceremonies will be Dr. Thomas F. Hubbard, professor of Civil Engineering.

The banquet will begin at 7 p.m., June 11, at the Southern Hotel. Cocktails will be served at 6:30. Dinner and dancing only will be included in the price of the ticket. The event is open only to seniors.

Ticket sales will be open until June 6. Table reservations can be made starting Monday at the June

(Continued on Page 2)

## Frosh, Sophs Plan Outing

The annual Freshman-Sophomore Outing will be held at Oregon Lake tonight from 6 to 11 p.m., Os Steinwald, freshman class president, announced.

The main attractions of this event, according to Gil Decker, freshman vice-president, will be "dancing, swimming, and the woods." A pavilion will provide the dance floor and the music will be recorded.

Tickets for the outing, which is closed to upperclassmen, can be purchased from any officer of the freshman or sophomore class. Prices are \$1 for a stag ticket, and \$1.50 for those who bring dates. Steinwald emphasized that the event was strictly non-profit, and that the price of the tickets covered only rental for the resort and payment for the beer and cokes.

Decker, freshman chairman of the outing, said that the Hopkins men should have the beach to themselves since Oregon Lake is not open to the public as yet. Decker urged every underclassman to participate in the event and said, "We expect a good crowd, but we can never have too many, so come on out. It will give the underclassman something to do this Friday evening. Get a date and spend an evening lounging and swimming." Decker added that there would be plenty of beer for everyone.

Directions to reach Oregon Lake, which is a converted quarry, are posted in the Dormitory cafeteria. Tickets will also be sold at the lake.

## Abrams, Bevard '56 Heads; '55 'Baloo Ready In July

Paul B. Abrams and Wakeman Bevard have been appointed the co-editors of the 1955-'56 Hullabaloo, Daniel Sax, this year's editor, announced this week.

Sax stated that the 1955 Hullabaloo will be published the first week in July, and copies will be mailed to all subscribers at that time. He emphasized that all books must be paid for no later than June 14. Copies will not be sent to anyone who fails to meet the

full payment by this date. Subscription price for undergraduates is \$5.50 per copy and \$7.50 for seniors. A total of 650 copies have been ordered.

### Achievements

The editor discussed the achievements of this year's staff and commented, "Although I'm inclined to be slightly prejudiced, I think that the 1955 Hullabaloo will be the best yearbook of the last ten years." Assisting Sax on this year's staff are Kevin Smith, associate editor; Wakeman Bevard, managing editor; Paul Abrams, coordinating editor; and Ed Bernstein, business manager.

The 1955 book contains 248 pages, a 32-page increase over last year's book. This increase is attributed to a new addition, an extensive faculty section. All the activities of 1954-'55 up to June Week and commencement will also be included in the book.

### Party Scheduled

The Hullabaloo will have only four pages of advertisement this year. Costs of publications are covered mainly by donations, subscriptions, and fees from organizations subscribing to the yearbook.

Sax said that a Hullabaloo party is scheduled for the first week in June, soon after the book goes to press. Yearbook awards will be presented at the party. Qualifications for the awards require at least two years of outstanding service and leadership on the Hullabaloo.

## Beta Wins Wittich Trophy, Tops Fijis

By scoring heavily in all but four events, Beta Theta Pi Fraternity defeated Phi Gamma Delta by 20.5 points to win the Wittich Trophy, symbol of interfraternity athletic supremacy. Taking the Wittich Trophy for the third time, Beta retired the award and a new plaque will be started next year.

### FINAL WITTICH

#### TROPHY STANDINGS

asked us to submit a formal written statement so that he could, in turn, submit it to the 'purse strings'."

Musial and Lidz prepared and submitted the statement the same day, "with the assurance from Mr. Dorsey that as soon as the Sunpapers reached a decision, either pro or con, they would notify us. That was several weeks ago. Each time we inquired, we were told that the Sunpapers were still in the process of deciding..."

### Interview Owens

However, last week Musial arranged another Sunpapers interview, this time with Editor-in-chief Hamilton Owens.

According to Musial and Lidz, "Mr. Owens explained to us that

the Sunpapers are a corporation and hence could not finance the tour for Hopkins without a meeting of the stockholders who probably would not approve. However, after the completion of the tour, if the Hopkins student could write acceptable articles on the trip, the Sunpapers would be happy to buy them at \$15 to \$40 per article, depending on length."

### "Shooting At Star"

Musial and Lidz continued, saying that "however, Mr. Owens has offered to contact for us Baltimoreans interested in Russian affairs to see if they could perhaps sponsor the tour for us. We are also contacting individuals on our own, but it now seems as hopeless as shooting at a star."

# More Ducats Available

(Continued from Page 1)

Week office in Levering Hall. There will be a slight charge for reservations, Goldberg said.

## Flanigan To Play

The Senior Prom, featuring the music of Ralph Flanigan, will definitely be held at the Alcazar 9 p.m., June 7. Ed Goldberg's date, Miss Toby Cohen, will sponsor the event. Miss Barbara Webster, date of Barry Kidner, president of the Senior Class, will be the Guest of Honor.

The Bull Roast, set for June 8, will start at noon at Bowley's Resort, Bowley's Lane. Directions for locating the resort are available at the June Week office. Music for dancing in the evening will be supplied by Frank Welch and his band. In case of rain, the event will be held June 10.

The Sports Dance is scheduled

TOBY COHEN, date of Ed Goldberg, sponsor of June Week.

for 9 p.m., June 9, at The Dixie Ballroom, Gwynn Oak Park. Date of James Phinney, retiring president of the Student Council, will be Guest of Honor for the event.

Date of retiring SC chairman Ed Habermann, will sponsor the event. The Senior Banquet will climax the week's activities.

Goldberg said that the sales of senior strip tickets was disappointingly low. "However," he added, "underclass sales have more than made up the difference."

## Dag Hammarskjold Graduation Speaker

(Continued from Page 1)

States. An enthusiastic supporter of the Marshall Plan, he served as Chief of Sweden's delegation to the Organization for European Economic Cooperation and was for a year vice president of its executive committee.

Mr. Hammarskjold succeeded Trygve Lie as secretary general of the United Nations in April, 1953.

## H Club To Present First Of Trophies

The H Club will present the first of its annual trophies for outstanding athletic accomplishments tomorrow at the halftime of the Mount Washington Game. President Richard Watts stated recently.

The winner will receive a replica of the trophy now on display in the athletic office. According to Watts, any undergraduate is eligible who has contributed to Hopkins athletics not only as a player, but also as a sports editor or a part-time coach.

## Vets' Club Organized With Owens As Head

The Johns Hopkins Veterans Club has recently been formed "to encourage veterans socially and scholastically and to give veterans on the Hopkins campus a collective voice in problems that arise from their student status as veterans," according to the club's constitution.

Tom Owens is president of the new organization, Hugh Downs, recording vice-president; and Kemp Hackett, secretary-treasurer. Dr. Chester Wickwire will be the group's adviser. An outing will be held by the organization on June 8.

## The Johns Hopkins News-Letter

59th Year

Published every Friday during regular sessions of The Johns Hopkins University except during examinations and college holiday periods, by undergraduates of the University. The views expressed in the editorial columns are not necessarily those of all Board of Control members. Subscription, \$2.00 per year, \$1.50 per term. Address: Box 1230.

## Engineers Elect Sutherland Chairman Of Control Board

Jack Sutherland was elected chairman of the Engineers' Control Board for 1955-56 at a meeting of the Board May 12.

At the same meeting, Don Clemmons was chosen secretary and Ron Straka and Dan Protani were elected to the Board. Sutherland is newly-elected president of ASME; Clemmons, president-elect of AICHE; Straka, newly-elected president of AIEE and IRE; and Protani, president of ASCE.

Bob Smith, retiring Engineers' Board chairman, had "high praise" for the success of "four of the five engineering societies this year." Cited were Fred Blackburn, Bill O'Berry, and Penn Anderson, past presidents of the mechanical, electrical, and chemical engineering societies respectively.

Activities of the Board during the past year include campus tours for high school students from eight high schools in the Baltimore area in conjunction with the Public Relations Committee of the Student Council; campus tours for next year's freshmen in conjunction

with the Admissions Office, and coach classes for the Engineer in Training Exams, sponsored in conjunction with Tau Beta Phi.

The Board also held combined society meetings, sponsoring presentations by General Motors, General Electric, and Boeing Aircraft.

## Cotillion Board

No new members have been selected for the Cotillion Board due to a lack of aptitude and interest among the applicants, according to Norm Vander Noot, assistant business manager.

Tryouts for the three vacancies will be held prior to the first dance of the next academic year. The sophomores who are outstanding in the planning of this dance, ticket sales, and in the interview will be chosen to fill the positions.

Next year's Cotillion Board officers are John Tydings, president; Norm Vander Noot, business manager; and Bill Daiger, assistant business manager.

# Varsity Stickmen End Season; Face Mounts Here Tomorrow

Homewood Field tomorrow at 2:30 p.m. is the site of the 1955 Hopkins' Lacrosse team's final game of the season as they entertain the unbeaten Mt. Washington Lacrosse Club.

Mt. Washington boasts All-American players in every position, many of them ex-Hopkins stick stars. At the midfield for the Mounties and hailing from Hopkins are Neil Pohlhaus, Fred Smith, and Bill Carroll. Ex-Jays at attack are Bill Crane, Ace Adams, Wilson Fewster, and Rollo Brent. The defensivemen for the Mounties who played their college ball at Hopkins are Mort Klaus, Tom Gough, and Jack Pohlhaus.

Some of the more recent All-American choices who will face the Jays tomorrow are Bill Hopper and Bob Prout, Virginia; George Cowigan, Maryland; Reddy Finny, Princeton; Fred Eisenbrandt, Charley Gillfallon, Dan Peacock, and Don Brafford, Duke; and Fewster, Adams, and Smith, Hopkins.

**Coach Scott Says**

Coach Bob Scott, Jay stick tutor, in an interview this week said, "Mt.

Washington is loaded with material this year as is evidenced by their undefeated season record thus far. They have beaten such college teams as Army, Princeton, Hofstra, and Virginia, along with club teams such as the Maryland, Annapolis, and the Philadelphia Lacrosse Clubs."

Mt. Washington beat Princeton, 13-5, while the Tigers edged Hopkins, 6-5, earlier in the season. Hopkins hasn't beaten Mt. Washington since 1941 when the Jay team coached by Dr. Kelso Morrill won both the Intercollegiate and the National Open titles.

Tomorrow winds up the college lacrosse careers of Hopkins' Co-captains Lou Ruland and Buzzy Williams. All other members of the team will be returning next year.

**Hopkins Loses 11-6**

Last Saturday at College Park, Hopkins lost to the University of Maryland, 11-6, in the game that gave Maryland the National Intercollegiate Lacrosse Championship. Maryland had an unbeaten

season, posting a 11-0 record.

The game was to be little more than a light workout for the Terps, but the shaken Marylanders found the score knotted at 5-5, late in the third quarter. However the Terps superior reserve power finally gave them the victory as they scored in quick succession in the final period and three times in the last 87 seconds.

Hopkins jumped off to a 1-0 lead on Arlyn Marshall's hard outside screen shot early in the game. But Maryland came back and scored five straight goals and led decisively until the Jays took fire in the second period and pulled to within two goals, 5-3, by halftime. Dave Colignon and Marshall netted the

(Continued on Page 4)

# Varsity Netmen End Season With 4 Win-5 Loss Record

The 1955 edition of the Hopkins tennis team closed out their season last Wednesday with a 9-0 loss to Loyola to give them a four wins-five loss record.

The netmen, under the tutelage of Fred Steinmann, who starred for the Blue Jays last year, won their first three matches before they bowed to a powerful Western Maryland aggregation.

The Jays easily overpowered American University, the University of Delaware, and Towson State for their initial wins, but ran into stiff competition at Homewood on April 30, as the Terrors from Western Maryland easily defeated the Jays, 6-3.

After Western Maryland, the Jays dropped their next match to

Loyola College, the eventual Mason-Dixon Conference champions, by a 6-3 count. The netters then traveled to Chestertown where they scored a 6-3 triumph over the Sho'men of Washington College.

The next week, the Blue Jays were snowed under by the Maryland Terrapins, 9-0, as the visitors from College Park overwhelmed the undermanned Jays. The next day, the netmen were defeated 7-2 by Western Maryland as the Terrors ran up their win streak to eleven.

## Varsity Diamondmen End Season, Bowing To Loyola

Winding up their season with a 6-1 loss to Loyola last Wednesday, to bring their record to 5 wins and 8 losses, Bob Bilgrav's Varsity Diamondmen ended a season which, although losing, was better than anticipated by their coach.

"We had a much better season than I had expected," said the Jay mentor. "Our main trouble was our failure to hit. The most pleasant surprise was Howie Alfandre who really improved his hitting over last year to lead the team with a very fine .368 average. But some of the men counted on to supply the power didn't come through. I didn't figure on a heavy hitting club, but we did even less than I anticipated."

As a team, the squad only batted .164. Don Stonesifer with a .250 average, Jerry Carr, .299, and Roland King, .200, were the only men on the team in addition to Alfandre to bat over .200. Among the 68 hits accumulated during 416 times at bat were four doubles and three triples. The Jays drove in 39 runs as opposed to 65 for their opponents.

### Jays Field Better

In the field, the team held up better, committing 34 errors in the 13 games for a fielding average of .934 while their opponents posted a .938 fielding average. Individually, John Newton, first baseman led the team with a .997 average in handling 102 putouts. Next in line were right fielder King and second basemen Carr with .967 and .920 averages respectively.

In the pitching department, Walt Radek led the pack with a 3-3 record followed by Earl Slaybough and Bill Pipkin with 2-2 and 0-3 records respectively. Radek struck out 40 men while yielding 27 hits

and 19 runs in 38 innings. "In Radek and Pipkin I saw two of the best sophomore pitchers that I have come across," said Bilgrav.

### Bilgrav Reviews Coaching

In regard to his coaching career at Hopkins which Bilgrav concluded with the end of this baseball season, he said, "I've enjoyed it very much. All of the boys that I have come in contact with have been above the average. I only hope that they have enjoyed it as much as I have."

Next fall, Bilgrav takes up his duties as an instructor in the Punahou Country Day School in the Hawaiian Islands. In his years at Hopkins, Bilgrav coached both baseball and basketball, leading his basketball squad to the semi-finals of the Mason-Dixon Conference Championships last year.

## — Stickmen —

(Continued from Page 3)

second and third goals respectively and both scored when Maryland was shy a man due to fouls.

### Marshall Assists Goal

On the opening faceoff of the second half, Arlyn Marshall took the ball and passed off to Harry Langeluttig who promptly tallied the fourth Jay goal. A few minutes later Jerry Bennett scored.

Bobby Powell came in the game early in the second quarter to replace goalie Lou Ruland and make a total of 17 saves while keeping Maryland scoreless for 23 minutes.

## YOU'RE INVITED TO A "GOING HOME" PARTY

TIME: Right after final exams.

PLACE: Roomy air-conditioned train coaches... with lots of space to roam and visit.

REASON: Traveling home for summer vacation.

GUESTS: All your friends... be they "stag" or "drag."

RSVP: (See your local railroad ticket agent about early reservations.)

Start your summer vacation with a "last get together" trip back home on the train... lots of friends along. No tough driving to do, no waiting for weather to clear. And there's room for heaps 'n heaps of baggage. Costs less, too... you and two more travel- ing together can each save 25% of regular round-trip coach fares on most trips of 100 miles or more by using GROUP ECONOMY FARES.\* Or, gather 25 or more heading home at the same time in same direction and you each save 28%, even if you return separately.

\*except for local travel between New York- Washington and points east of Lancaster, Pa.

EASTERN RAILROADS

# Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroys have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroys cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

20,000 TINY  
FILTER TRAPS...

plus Richer, Smoother Flavor
