Messrs J. C. Gilman &

Timothy Dwight.

Gentlemen,

Accept my  
thanks for your invitation, which is just  
received, to attend tomorrow the Annu-  
:versary of the Alumni Association  
of Yale College.

I am scarcely well enough to be away  
from home, but will be with you, God  
willing, for a short time in the morning.

As to my making an address, that I  
will be entirely out of the question, as,  
in the present condition of my health,  
my medical advisers prohibit,  
positively.

Gent. Robt Anderson

positively, every thing of the kind.

Cordially Respectfully  
Robert Anderson
